Post-import quarantine:

i) On arrival the Regional Officer/ Quarantine Officer will examine the health of cat, verify the veterinary certificate and vaccination record of imported pet. If the animals are free from any clinical illness as well as the documents including veterinary certificate/ vaccination records are found in order, the animals imported up to two numbers as pets under accompanied baggage or un-accompanied baggage shall be quarantined at premises of the AQCS up to 15 days. However, in case of any signs of diseases, the quarantine period shall be extended depending on the nature and severity of the disease.

ii) Cat(s) brought for temporary visit along with owners may be exempted from 15 days quarantine period provided the owner of the dog/cats presented documents (a) passport/pet book/health card of cat,(b) passport of owner,(c)visa (d)return journey ticket, (e) health certificate issued by the veterinary authority in the name of owner carrying the cat and (f) proof of purpose of visit. In such case the owner shall furnish the health certificate fulfilling the sanitary information as above conditions. Also, during the stay in India, the owner shall furnish detailed of his temporary location, phone number etc. so that the quarantine officer may visit the place for verification, if required. The owner of the cat(s) needs to be present himself/herself at the time of entry into India and during his/her return from India at the respective AQCS. This provision is permitted for import up to two cats. The quarantine officer will prepare a declaration form for this category of animal.

iii) No import of feed or bedding etc. shall be allowed along with the cat.
