### Post-import quarantine:

- i) On arrival, the Regional Officer/ Quarantine Officer will examine the health of dog, verify the veterinary certificate and vaccination records of imported dogs. If the dog(s) is/are free from any clinical illness as well as the documents including veterinary certificate/ vaccination records are found in order, the animals imported as pets under accompanied baggage or un-accompanied baggage shall be quarantined for 15 days. If the pet dog is detected with any signs of clinical illness during quarantine, the period of quarantine may be extended depending on the disease and its severity.
- ii) Dog(s) brought for temporary visit like dog show, visitors, travellers, therapy, assistance and security purposes along with masters shall be exempted from 15 days quarantine period provided the owner of the dog(s) presented documents (a) passport/ pet book/health card of dog,(b) passport of owner,(c)visa (d)return journey ticket, (e) health certificate issued by the veterinary authority in the name of owner carrying the dog and (f) proof of purpose of visit. In such case(s) owner shall furnish the health certificate fulfilling sanitary conditions as above. Also, during the stay in India, the owner shall furnish details of his/her temporary location, phone number etc. so that the quarantine officer may visit the place for verification, if required. The owner of the dog(s) shall be present himself/herself at the time of entry of dog(s) into India and during his/her return from India at the respective AQCS. This provision shall be applicable for import up to two dogs only. The quarantine officer will prepare a declaration form for this category of animal.

(iii) No import of feed or bedding etc. will be allowed along with the dog(s).
